

2006 Republican Superdonors

Political \$85/M
Charitable \$65/M

\$5+ donors 32,132

Their commitment to the GOP's cause could not be clearer: most of these donors gave \$50 or more to Republican candidates in the 2006 election cycle. They were donors, eager to participate in the electoral process and to help Republicans regain control of the United States House and Senate. They were intent on depriving obstructionist Democrats of the votes they desire to raise taxes, attack the American family, weaken the United States military, and justify shameless mudslinging against their Republican colleagues, President Bush, and, of course, the president's judicial nominees.
