These wealthy donors are dedicated, loyal members of the ACRU who are eager to protect the constitutional civil rights of all Americans. They are pro-life, pro-marriage, and they support the right of freedom of religion. They also advocate for a strong national defense, and believe in the second amendment right to bear arms.

The ACRU works to defend the civil rights of all Americans. Believing that the U.S. Constitution, including the Bill of Rights, is the greatest legal document ever written, the ACRU stands against harmful anti-Constitutional ideologies. The American Civil Rights Union is dedicated to fighting the Radical ACLU and the disastrous effects that it has on America.
