

AMERICANS for FAIR TAXATION

Political \$95/M
Charitable \$75/M

\$5+ 8,673
\$10+ 7,891

The donors to Americans for Fair Taxation are strong, anti-tax conservatives who believe that the current tax system is broken and that a comprehensive overall needs to take place before the country can move forward. They are supportive of the FairTax idea, which would tax consumption of products rather than income. They understand that this would help more families get ahead and save more, increasing our economy. They are strongly opposed to Obama's tax hikes, including the death tax.
