Donors to Catholic Advocate are religious, faith-based Americans who use their faith to inspire their moral values. They are pro-life and they support the sanctity of marriage, but they are also conservative in their approaches to political issues like immigration and national security. Paying for publicly funded Obamacare abortions horrifies these donors, and they are willing to donate generously to keep this immoral law from being implemented.

All the programs of Catholic Advocate are intended to encourage Catholic politicians to support life, marriage, and the family in accordance with the teaching of the Catholic Church.

Catholic Advocate promotes and protects the values of Catholic Church and believes that truth is both attractive and compelling and that in the marketplace of ideas, it will invariably win out.
