These donors to the Center for Individual Freedom have a keen interest in preserving their constitutional freedoms. They respect the rule of law preserved in the Constitution and the Bill of Rights and fully appreciate that they must defend the constitution so that the constitution may defend them. They oppose judicial activism and radical change to traditional values. They support common sense reform of the Judicial System.

Founded in 1998, the Center for Individual Freedom is a non-partisan, non-profit organization with the mission to protect and defend individual freedoms and individual rights guaranteed by the U.S. Constitution.
