CU is the project through which Citizens United members work to support President Bush and promote his conservative agenda for the country. Donors fully back the President's policies on issues such as tax cuts, Social Security reform, the War on Terror, the sanctity of life, and the fight to preserve the institution of marriage. CU also works to defend the President, his family, and his Administration against the propagandist assertions of such liberal mouthpieces as Hillary Clinton, Ted Kennedy and Nancy Pelosi, most notably through an acclaimed documentary exposing the lies and motives of filmmaker Michael Moore and his supporters in the media.
