This large list of wealthy conservative donors represents the most loyal of all the Citizens United Donors. They are proven to give and give to protect both traditional family values and the nation's security. They are loyal supporters of a strong national defense and American sovereignty, and are pro-military and support the war on terror.

These Americans are dyed-in-the-wool fiscal conservatives who supported former President Bush's tax cuts. They can be counted on to answer the call to fight big government, tax increases, and radical liberalism.

Citizens United's goal is to restore the founding father's vision of a free nation, guided by the honesty, common sense, and good will of its citizens
