These generous, conservative donors are committed to the Constitution and family values, and have donated to fight the legislators, liberal interest groups, and activist judges who work to undermine these cornerstones of American civilization. They oppose Obama and his vision of America as a nanny-state where there are no personal freedoms. They have risen to turn back the Left's challenges to such American staples as the Pledge of Allegiance, the Boy Scouts, and marriage. These Citizens are United in preserving the legacy of Ronald Reagan and keeping the United States a free and sovereign nation, under God and indivisible.
