These affluent conservative Republicans have given substantial amounts to Congressional and U.S. Senate candidates during recent election cycles.

Many have even "maxed out" to their candidate with gifts in excess of \$1,000.

The ongoing antics of the Pelosi-Reid Democratic Congress and the prospect of a second Clinton Presidency are sure to remind them why they donated in the first place!

This donor file is the perfect list for conservative candidates and PACs as well as non-profit mailers in search of a large and generous group of donors, particularly those with narrow geographic requirements.
