Dick Mountjoy stood toe-to-toe with California's liberal senator Dianne Feinstein during her most recent re-election campaign.

A devoted family man, successful businessman, and proud veteran, Mountjoy and his campaign represented everything that California's liberal elite opposes. He pointed out the inhumanity of their abortion advocacy; he drew attention to the unfair burden placed on honest taxpayers by rampant illegal immigration; he displayed his respect for America's troops.

Mountjoy's American values and American success story drew the ire of the left, but brought the respect and contributions of conservative donors from across the country.
