LELDF's eager, generous donors have opened their checkbooks to defend these wrongly accused police officers and lend support to the spouses and children at risk of being left behind when a law enforcement officer is sent to prison to appease misguided prosecutors and special interest groups.

These donors support a wide variety of conservative causes, pro military, law enforcement, public welfare, public safety and the criminal justice process.

*Every year numerous law enforcement officers face trial and imprisonment, wrongly persecuted and prosecuted for lawfully doing their duty, for defending themselves and others from violent criminals.*
