The Minuteman Civil Defense Corps helped draw much needed attention to the issue of illegal immigration by enlisting volunteers to patrol the nation's increasingly porous borders. Donors have been moved by the plight of embattled property owners and by calls to action from the Minutemen themselves, concerned citizens from all walks of life who have given their time to the effort to secure America's borders and to eliminate a threat to the security and stability of the United States. There are no new names being added to this file.

Mailing piece subject to list owner approval. Pricing and selects are subject to reciprocal charges. 20% commission to recognized brokers.
