The Madison Project works to raise money for conservative candidates for the United States House of Representatives and Senate. By applying strict conservative standards on issues such as abortion, traditional values, immigration reform, taxes and government spending, and national defense, the Madison Project ensures that only true conservative candidates receive its endorsement and fundraising assistance.

Over the twenty years of its existence the Madison Project has stood by such conservatives as Jim Demint (R-SC), Tom Coburn (R-OK), John Thune (R-SD).
