The Patrick Henry Center is modeled upon charges. 20% commission to the example of the great orator of the recognized brokers. American Revolution, a man who showed no fear of the consequences in standing up and speaking in defiance of a government with the power to destroy him. Donors to the Patrick Henry Center are corruption-fighting conservative patriots who help the Center to encourage, support and protect Patrick Henry's heirs, the brave whistleblowers who dare to shed light on corruption and abuse of power within the federal government. Founded by Gary Aldrich, the former FBI agent who revealed some of the most shameful secrets of the Clinton White House, the Center has taken special interest in the faithful protection of our borders, refuting the Clintons' lies, and revealing the truth about John Kerry.
