Former Congresswoman Shelley Sekula Gibbs fought to regain the seat that she had won in a 2006 Special Election, only to be robbed of a full-term by Democratic legal maneuvering which kept her name off of the regular November ballot.

Dr. Sekula Gibbs, the first female physician to serve in Congress is a proven conservative, having fought to lower taxes, defend life, and restore integrity to our nation's borders. Donors from across the country responded to her sterling support of the right to bear arms and her resolute backing of the troops fighting the War on Terror.

The donors are **anti-tax, pro-life, pro-marriage and pro-2<sup>nd</sup> Amendment**: in short they are **pro-America!**
